Care to Share

The Care to Share Program is Girl Scouts of Citrus' service project, in which we share our delicious products with our Military and Second Harvest Food Bank. Please consider helping Girl Scouts by donating to support these great organizations. Last year the girls collected enough donations to send over **26,232 packages** to the Military and Second Harvest Food Bank.

Support Our Military Troops

Every donation helps send a little piece of home to our brave men and women actively serving in the armed forces. Please consider donation to support Girl Scouts Community Service Programs

Second Harvest Food Bank of Central Florida

Second Harvest Food Bank of Central Florida is a private, nonprofit organization that collects, stores and distributes donated food to more than 550 feeding partners in six Central Florida counties: Brevard, Lake, Orange, Osceola, Seminole and Volusia.

In addition to helping feed the line of our neighbors who need help, Second Harvest also transforms dozens of lives directly every year. Economically-challenged adults who graduate from our 16-week culinary training program are placed in 'better than minimum wage' jobs that set them and their families on a path to self-sustainability.

Care To Share Program

Customers have the opportunity to donate money for the Care to Share Program when girls are selling online, in person or at booths.

How the Program Works

- Troops/girls collect $6.00 for each Care to Share donation.
- Actual product will be shipped to various military branches worldwide and to Second Harvest Food Bank and their partners throughout our six Citrus Council Counties.
- These are virtual sales and do not come from the troops or girls physical inventory
- The TCC should count the total Care to Share donations from on-line, in person and at booths and enter it on the Care to Share form.
- Turn in the form with your Final Paperwork.
