## TO TROOPS CAMPING AT CELIA LANE LITTLE HOUSE:

Beatrice the Butterfly invites you to learn about the urban environment of which Celia Lane Little House is a part. **All activities must be completed at Celia Lane Little House except activity six.**

The activities are divided into beginning, intermediate and advanced levels. You need to complete all six activities.

Activities one through four must be completed in order.

Most of the equipment you will need is provided for you. However, you will need to bring some things as listed below:

### BEATRICE'S ACTIVITIES INCLUDE:

**Activity I: Using Keys** - To teach girls how symbols may represent objects of a map

**Activity II: Making a Map** – To help girls learn about the features surrounding Celia Lane through mapping.

**Activity III: Classifying** – To help girls discover the similarities and differences of things in nature.

**Activity IV: Graphing and Charting** – To help girls visually organize information.

**Activity V: Native Plants and Animals of Florida** – To familiarize girls with species native to Florida.

**Activity VI: Environmental Factors** – To familiarize girls with projects they can do to benefit the environment in the community.
