

Dear Family and Friends of Girl Scouts:

Ever since Juliette Gordon Low gathered that first group of young women together, Girl Scouts has been helping to build girls of courage, confidence and character who make the world a better place.

In order to make sure that this incredible organization and, more specifically, Girl Scouts of Citrus Council continues to offer our girls the best Leadership Development Program available, we need your help. **Did you know it costs approximately \$250 per girl to ensure that each and every young woman in our Council has the right programs, leaders, and facilities?** These funds enable us to develop new and innovative programs that are responsive to the needs and interests of today's girls, provide quality training for our more than 6,000 adult members and volunteers, and maintain and improve our camps and program centers.

Through the generous support of our parents, family and friends, we are able to cover the cost for many girls who want to be in Girl Scouting, but whose families may not have the money to contribute their fair share. If you have additional means to help support one of these girls, we ask that you contribute as generously as possible.

We ask that you consider fulfilling one or more of the following donor levels:

- Full Share contribution of \$250 **(eligible for patch)**
- Fair Share contribution of \$138 **(eligible for patch)**
- Contribution of \$25 **(eligible for patch)**
- Contribution of any amount \$\_\_\_\_\_

We appreciate your help!

Sincerely,

Rosie Miller  
Vice President of Development
