TO TROOPS CAMPING AT RIVERPOINT:

There is no minimum number of activities for the girls to do to earn the Minerva Patch at Riverpoint, but do allow sufficient time when planning your visit for the girls to enjoy "Minerva says....."

All activities must be completed at Riverpoint Program Center.

THE ACTIVITIES INCLUDE:

WEATHER

What is weather?

Learn to read the instruments.

Do some experiments.

Cloud art.

GET TO KNOW THE RIVER

Learn about manatees.

Write a poem.

Explore the water - learn about some of the plants and animals.

LOOK AT THE LAND

Examine the soil.

Make a rubbing and learn more about trees.

Most of the equipment you will need is provided for you. However, you will need to bring some things as listed below:

- For the cloud art, you will need to bring blue construction paper, white chalk and a fixative
- Other items that you may need include paper, pencils, poster board and small plastic bags with ties
- For the rubbing you will need butcher paper or newsprint and crayons or charcoal
- For the air pressure experiment you will need plastic cups, straws and Kool-Aid

Your service unit library has a copy of Minerva's Activities to help you with preplanning.

PLEASE RETURN EVERYTHING IN GOOD ORDER WHEN YOU ARE FINISHED. The next troop will expect to find equipment ready to use. Minerva patches are \$1.50. Order the patches from the Council Service Center in Orlando. The order form is included on the Minerva Activity Report form.
