Super Seller Destinations Program

Q. What is Super Seller Destinations?

A. Super Seller Destinations is an incentive program for girls who sell 500 or more boxes in the 2012 Cookie Program with Girl Scouts of Citrus.

- Girls earn points based on the number of boxes sold and can then “spend” those points on Destinations of their choosing. The point range for number of boxes sold is shown below. Girls may choose to use all points earned for a single higher point value Destination or choose multiple lower point value Destinations. These Destinations are in addition to recognitions earned and the combinations are endless!

Q. How do I receive my Super Seller Destinations?

A. To receive your Super Seller Destinations, you must submit a request between March 1 and March 26, 2012.

- Requests are made by visiting the GSC website at www.citrus-gs.org and navigating to the Destinations Program online form under girl program > product program > cookie program > super seller destinations. Please use this brochure as reference when submitting your requests. The Product Department will notify you when a request has been received. If for any reason you are unable to complete your request online, please contact the Product Department prior to March 26 at (407)228-1612. Requests received after March 26 cannot be fulfilled. Expect to receive Destinations in June.
