

Care to Share

The Care to Share Program is Girl Scouts of Citrus' service project, in which we share our delicious products with our Military, First Responders, and Second Harvest Food Bank. Please consider helping Girl Scouts by donating to support these great organizations. Last year the girls collected enough donations to send over 26,232 packages to the Military, First Responders, and Second Harvest Food Bank.

Care To Share Program

Customers have the opportunity to donate money for the Care to Share Program when girls are selling online, in person or at booths.

of citrus

How the Program Works

- Troops/girls collect \$6.00 for each Care to Share donation.
- Actual product will be shipped to the Military and hand delivered by our Girl Scouts to the Second Harvest Food Bank, Military and First Responders throughout our six Citrus Council Counties.
- These are virtual sales and do not come from the troops or girls physical inventory.
- The TCC should count the total Care to Share donations from on-line, in person and at booths and enter it on the Care to Share form.
- Turn in the form with your Final Paperwork.

Second Harvest Food Bank of Central Florida is a private, nonprofit organization that collects, stores and distributes donated food to more than 550 feeding partners in six Central Florida counties: Brevard, Lake, Orange, Osceola, Seminole and Volusia.

In addition to helping feed the line of our neighbors who need help, Second Harvest also transforms dozens of lives directly every year. Economically-challenged adults who graduate from our 16-week culinary training program are placed in 'better than minimum wage' jobs that set them and their families on a path to self-sustainability.

Support Our Military Troops

Every donation helps send a little piece of home to our brave men and women actively serving in the armed forces. Please consider donation to support Girl Scouts Community Service Programs

Support Our First Responders

Our first responders are the brave men and women who stand on the front lines during every crisis. This year, Girl Scouts of Citrus is proud to include First Responders in our Care to Share program. Through this effort, customers can help us show gratitude and bring smiles to their faces with the support and love they deserve.

We invite you to consider supporting our First Responders this year through Care to Share, a simple way to say thank you for all they do to keep our communities safe.
