Adult Experience Events

Adult CPR and First Aid

Girl Scouts of the USA (GSUSA) requires each troop to have a certified Troop First Aider present for certain activities to ensure the safety and well-being of all participants. A Troop First Aider is an adult volunteer who has completed the required first aid and CPR training from an approved organization. The combination of virtual learning and hands-on training ensures participants understand the concepts and gain practical experience in applying life-saving techniques.

Troop Camper Level 1

Do your girls want to go camping? To go camping, cook outdoors, or have a campfire, each troop must be accompanied by a Girl Scouts of Citrus (GSC) trained Troop Camper. This certified adult ensures the safety and preparedness of the group during outdoor adventures. Preparation before the trip is key; working with the girls ahead of time helps set them up for success. Through a blended format of gsLearn online classes and in-person skill sessions, you'll gain everything you need to feel confident going camping. Troop Camper Level 1 training equips you with the knowledge and hands-on skills to take your Girl Scouts camping - whether in a tent or a cabin. During this training, you'll learn how to cook outdoors and enjoy a campfire in a safe, non-primitive setting.
