## Volunteer Appreciation

April is a time set aside by Girl Scouts to honor and thank the adults who make it possible for girls to experience Girl Scouts. Volunteers fill many different roles. Some are troop leaders, others are Service Community team members and still others offer exciting program opportunities.

The unsung volunteers are the Juliette parents/mentors. You fill all those roles for your Girl Scout. You have chosen to make a huge commitment so your girl can experience all that the Girl Scout experience offers. We recognize how much it takes for you to be an awesome Girl Scout volunteer. You are appreciated.
