IT IS COOKIE TIME !!!

IMPORTANT REMINDERS FOR COOKIE SEASON

1. All money owed to council must be paid before receiving cookies
2. All cookie orders must be entered in ABC Smartcookie by a parent
3. Cookie payments are made directly to Millie Gomez at council
4. Juliettes may select booths in ABC Smartcookie
5. There must be TWO Juliettes and TWO unrelated adults at a booth
6. Uniforms must be worn at booths
7. Juliettes may not secure individual booths
8. At least partial payment for initial order must be made before reorders

"Make New Friends"

meet the staff members who support Juliettes

When you enter the council shop you will be greeted by two of the bubbliest ladies on Citrus Council staff, Maria Teal and Missy Hage.

Maria Teal is the Retail Manager for Citrus Council Shop. She has been with the shop for 15 years. Before coming to Girl Scouts she spent 25 years in other retail positions. Maria not only maintains the shop inventory and assists customers she also creates yearly "camp bags" for girls attending summer camp. She also takes the shop on the road to make it easier for Girl Scouts in all parts of the Council to purchase uniforms, badges, patches, and other gear. On top of that she works with the program department to host amazing Super Saturday events. Maria has become passionate about Girl Scouts during her tenure. She says the best part is seeing girls grow from Daisies to Ambassadors. When she is not filling her time with the Girl Scout shop she crochets amazing afghans.

Missy Hage is the Retail Associate. She has been with the shop for 2 years. While she maybe new to Citrus Council staff she is not new to Girl Scouts. Missy has 2 daughters who are both active Girl Scouts and she served as a troop co-leader and parent helper for 10 years prior to joining our staff. One interesting tidbit about Missy is she was a vet tech for 18 years. She helps Maria in many ways. Her favorite part of her job is getting to talk to the girls and volunteers.

These two ladies can answer any of your questions and help you find exactly what you need. Be sure to stop in soon to get to know Maria and Missy.

“Pearls of Wisdom”

*Things you need to know about the cookie program for
Juliettes*

Happy New Year Juliettes and families! January is not only the beginning of a new year but it is the start of the sweetest time of the Girl Scout year. It is COOKIE SEASON. The Girl Scout cookie program is much more than just “selling cookies”. It is a chance for Girl Scouts to learn important life skills.

Goal setting is important in many areas of life. Girls learn to set goals that are realistic and achievable but still help them stretch and grow. Its more than just picking out what “prize” she wants, it is a way to help her learn what she is capable of doing.

Decision making is the second lie skill of the cookie program. Once the goal has been set the girl has to figure out just how she is going to reach that goal. Is she going to concentrate on digital orders or booths or asking her friends and family to support her efforts. She learns to weigh the pros and cons of each choice and finally make the best decision for her.

Money management is a big part of the cookie program. Younger girls learn to make change and older girls learn things like budgeting .All girls learn how money plays a part in almost everything they do.

People skills are a huge part of the cookie program. The cookie program gives girls a chance to practice talking to people of all ages and backgrounds. Their excitement about the cookies seems to help overcome any shyness they may have. Older girls learn how to tailor their message to the intended audience.

Business ethics are a way that girls put the Girl Scout Law into play. They learn how important it is to do the right thing in business . Being honest and fair and respecting others and being a sister to every other Girl Scout all translate into good business ethics.
