Girl Scout Week 2025

Dear Juliette Families,

As we prepare to celebrate Girl Scouts' Birthday on March 12th, we are reminded of the rich history of this incredible organization and its lasting mission: to build girls of courage, confidence, and character. Over the years, Girl Scouting has evolved to meet the needs of every girl, and our Juliettes are an essential part of that journey.

The Juliette pathway was created to provide Girl Scouts the opportunity to participate in the program independently of a troop. While it may not fully replicate the troop experience, we strive to offer similar opportunities where possible. As a Juliette parent, you play a unique and integral role in every aspect of your Girl Scout's journey—from product programs like Sweets & Treats and the iconic Girl Scout Cookie Program to camp adventures and special activities. We encourage you and your Girl Scout to customize her path by engaging in the experiences that excite her most.

We are also working on new opportunities for our Juliettes to connect and engage with one another. Stay tuned for upcoming Juliette-only programs designed to enrich their experience and foster a greater sense of community. We hope to see you at our spring programs and, hopefully, at summer camp!

Yours in Scouting,

Crystal Jones

Juliettes in Action

On Saturday March 1 Juliette Faith and her mother helped Citrus council staff man the 1st water station for the BDR half marathon. They arrived at 6:30 AM to help set up. By 7:15 runners were passing by. Faith offered Girl Scout cookies and Gatorade. She ended her morning by helping to clean up the area. The runners were excited to get a little sweet surprise at the water stop.

Thank you Faith and Maria for “MAKING THE WORLD A BETTER PLACE”
