Welcome

Welcome to the first issue of the Juliette Journal ! The purpose of this Journal is to provide Individually Registered Girls with important information about Girl Scouts of Citrus. Each month there will be introductions of staff members who support Juliettes, highlights of various upcoming events and seasonal topics such as Fall Product Sweets n Treats and Cookie Programs as well as interesting tips for having a successful Girl Scout year. Hopefully this can also be a place for Juliettes to share all the exciting things you are doing.

“Make New Friends”

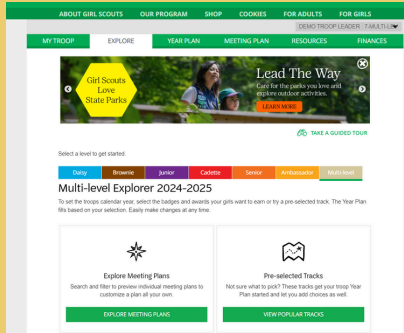

I am Patricia Goss, the Juliette Liaison for Girl Scouts of Citrus Council. I am so excited to take on this new endeavor. While the position is new to me, I am not new to Girl Scouts. I started as a Brownie (long before Daisies existed) and was active through graduation. My mother who just received her 80 year pin also started as a Brownie and her mother was her troop leader. My daughter began as a 1st grade Brownie and became a Juliette in 6th grade. That was the beginning of my passion to support Individually Registered Girls.

I have worked for Citrus Council more than 15 years. Prior to working for Girl Scouts I taught high school History, American Government, and middle school Geography. I was also a high school Speech and Debate coach. Working with young people is something I really enjoy.

My goal is to provide support for every Juliette so she can have an amazing Girl Scout experience. I want girls and their families to never feel “alone” on this Girl Scout road. Please feel free to reach out to me if you need anything.

“Pearls of Wisdom”

information for a more successful year

All Juliette guardians have access to the Volunteer Toolkit. This is located in your MyGS account. The VTK is an amazing resource. It contains all the badge and Journey requirements. There are also plans for a whole year program or specific interest tracks . Be sure to check out the “VTK” for lots of ideas

Juliette Girl Scouts use “credits” to fund your Girl Scout experience. You can earn credits by participating in the Fall Product Sweets n Treats and Cookie programs. These credits can be used to purchase annual memberships for the Juliette and on adult mentor as well as to pay for programs and events and to make purchases in the Council shop. Credits may even be used to fund a portion of travel related to Girl Scout activities. You may access these credits by submitting a [Juliette Credit request form](#) found on the Council website.

The brand new Juliette Guidebook is filled with everything you need to know about being a Juliette. Just click on the image to open the guidebook. Be sure to save this document for future reference.
