

Care to Share

The Fall Product Sweets ‘N’ Treats Program teaches girls to give back through our community service programs. Customers purchase our delicious products to “Share” with the Military around the world and the Second Harvest Food Bank.

Care To Share Program

Customers have the opportunity to donate money for the Care to Share Program when girls are selling online, in person or at booths. Last year the girls collected enough donations to send over 20,100 packages to the Military and Second Harvest Food Bank.

How the Program Works

- Troops/girls collect \$6.00 for each Care to Share donation.
- Actual product will be shipped to various military branches worldwide and to Second Harvest Food Bank and their partners throughout our six Citrus Council Counties.
- These are virtual sales and do not come from the troops or girls physical inventory
- The TCC should count the total Care to Share donations from on-line, in person and at booths and enter it on the Care to Share form.
- Turn in the form with your Final Paperwork.

Second Harvest Food Bank of Central Florida is a private, nonprofit organization that collects, stores and distributes donated food to more than 550 feeding partners in six Central Florida counties: Brevard, Lake, Orange, Osceola, Seminole and Volusia.

In addition to helping feed the line of our neighbors who need help, Second Harvest also transforms dozens of lives directly every year. Economically-challenged adults who graduate from our 16-week culinary training program are placed in 'better than minimum wage' jobs that set them and their families on a path to self-sustainability.

Support Our Military Troops

Every donation helps send a little piece of home to our brave men and women actively serving in the armed forces. Please consider donation to support Girl Scouts Community Service Programs
