Dear Citrus Family and Friends,

We are very pleased to share this year’s Annual Report edition of the Citrus Peel with you! The Citrus Council 2015-2016 business year easily ranks among the most exciting this Council has ever seen. There are so many growth points, achievements, and capital enhancements to celebrate, we scarcely know where to begin!

First and foremost, we want to thank our girls. Without you, we would have no purpose to fulfill; you inspire us to believe in a brighter tomorrow. That said, we could not heed the call to excellence that our girls have given us without the women and men with whom we stand shoulder to shoulder to steward our girls as they lead us on their incredible journeys.

We hope what you find in the pages to follow will ignite your Girl Scout spirit and make you proud to be a part of Team Citrus. In my eyes, we are all Team Citrus, all working toward the same mission. Each girl, volunteer, parent, staff member, and community partner who blessed us with their time, talent, and treasure this year has a share in our Council’s success story. We hope you enjoy it!
This year, I added a little Girl Scout adventure to my summer vacation, and it was AWESOME! As many of you know, I am interested in exploring the idea of creating a STEM-focused Girl Scout World Center right here in Central Florida! So, like a good Girl Scout, I knew I needed to research my idea to inform my goal setting and action plan. Well, what better way to do that than to travel to Pax Lodge in the United Kingdom and Our Chalet in Switzerland? Best idea, EVER, right? :)

It was an incredible journey and well worthwhile. Pax Lodge rests in near the heart of London, with nearby access to public transportation, though I ended up taking advantage of Uber as a way to meet and chat with locals. The Lodge is actually quite simple in design and furnishings, but the opportunity to meet and greet with girls and women from across the globe was rich, indeed. While there, I met with the WAGGGS World Bureau Program Director and received a tour of the Bureau and tributes to Lady Baden Powell.
The next stop on my Girl Scout Journey was the beautiful, Our Chalet, in Adelboden, Switzerland. The chalet and surrounding Alps are nothing less than breathtaking, truly, I have never seen anything so awe inspiring. While furnishings are simple and rustic, they add to the overall charm of the experience. Looking out my window that first morning, I felt as if I had just landed inside the book, Heidi, by Johanna Spyri. The people you meet, the surreal views, the sisterhood, even the food in the dining hall, will leave you with cherished memories to last a lifetime.

**You must go!**
There’s a lot going on when you’re in the last years of high school. Despite all of that, the girls of Troop 407 wanted to share their excitement for Girl Scouts and support younger girls by hosting an event at the Riverpoint Program Center in Merritt Island.

Last November, Troop 407 led a group of 25 Brownies and 25 Juniors in a fun-filled and inspiring weekend of Scouteriffic activities. The Ambassadors planned several badge-related activities on their own and worked together to prepare a hot pancake breakfast in the morning. Of course, what camping experience would be complete without a flag ceremony and making s’mores over a roaring bonfire? The girls had so much fun!

The Ambassadors loved the opportunity to spend time with the younger girls and hope they’ve inspired the girls to share their own love of scouting.

“I am proud to call it a success! I can easily see them becoming our future troop leaders!” noted Troop leader, Silvia Carvalho. Silvia has led the troop for many years, and she is very proud of the strong leaders that Troop 407 has grown into. She knows that these girls are prepared for whatever lies ahead for them, because they have accomplished so much throughout their years as Girl Scouts. Troop 407 is ready to take on the world!

Girl Scouts throughout Citrus Council joined the Boy Scouts in this year’s Wreath Across America (WAA) event in Brevard County.

Every year on the 3rd Sunday of December at 11:45 a.m., WAA ceremonies occur at national cemeteries. This was the first year that WAA happened at Cape Canaveral National Cemetery, which opened at the beginning of 2016.

Girl Scouts and Boy Scouts led the Pledge of Allegiance during the opening ceremony. After the ceremony, wreaths were placed on each grave. Each wreath was purchased thanks to generous donations.

As wreaths were placed on a veteran’s grave, a volunteer spoke that veteran’s name aloud so that everyone could take a moment to thank them for their service to our country.

The ceremony was a time to remember, to thank, and to honor the lives of those that served our country.
Troop 970 visited the Russell Home for Atypical Children, Inc. to spread holiday cheer, play games, and sing with the residents. While there, they helped deliver 52 boxes of Girl Scout cookies to the residents. The City of Orlando Wastewater Division had won a year supply of cookies when they placed first in the WESH 2 News’ Share Your Christmas Challenge to collect canned goods for Second Harvest Food Bank of Central Florida but decided to pay it forward. ‘Tis the season.

TROOP 87 AND TROOP 230

Girl Scout Troop 87 and Troop 230 checked expiration dates on donated food, prepped, and sorted it to be given to local families. Altogether, they sorted 1,096 pounds of food donated from Saint Cloud Preparatory Academy and another 80 pounds that Troop 87 donated!

MISHAWAKA COMMUNITY

The Mishawaka Community banded together to bring Christmas Eve dinners to firefighters throughout their community. Girls delivered the meals to the thankful firefighters at several fire stations, including Fire Station 31.
Beth didn't plan for her daughter Kamryn to join a troop yet, let alone go to summer camp. She figured she'd wait until Kamryn was older. Then she spoke with Sr. Director of Outdoor Program & Property Theresa Rivera (or “Mama T” as the camp attendees know her) It didn't take long for her daughter to be signed up for a summer sampler camp at Mah-Kah-Wee.

Once Kamryn arrived at camp, she discovered that it was all about trying new things. She tried Girl Scout cookies she had never eaten, and she tried “cucumber juice” - water with slices of cucumbers in it. As for s’mores? Kamryn called them “the best.” She enjoyed her whole experience, especially all of the sweet parts.

Food wasn't the only new thing she tried during her time at camp. She went on the lake in a funoe: a boat which Kamryn confidently described to her mom as “smaller than a canoe. Like a kayak, but smaller.”

There was so much to do that Kamryn said that while at camp she “forgot about home and had too much fun.” Before Kamryn left for camp, Beth had prepared a journal for her to record her experiences. Each day had space for thoughts and questions for Kamryn so that she never felt alone; but by the time Kamryn arrived back at home, the journal was only half full!

Now Kamryn is a happy Daisy in Troop 31. She’s enjoying her first cookie season and already planning for her next trip to summer camp - or make that trips to summer camp. She’s so excited that she hopes to attend TWO weeks of summer camp this year: the Hogwarts Challenge and Splash Into Summer resident camps. When her mother pointed out that a family vacation might keep her from attending both camps, Kamryn responded that her family could go on without her: She’d be at camp.
Mackenzie Carey started Girl Scouts as a Brownie. Now, 12 years later, Carey is a lifetime member, a troop co-leader, a contemporary country music artist, and an advocate for Girl Scouts.

On Saturday, Jan. 14, Carey headlined a concert in Cocoa Beach to benefit local Girl Scouts. The funds raised at Carey’s concert will benefit the GIFTs for Girls Annual Campaign fund at Girl Scouts of Citrus. The GIFTs for Girls Annual Campaign ensures that every girl in Central Florida has the opportunity to be involved in Girl Scouts by sponsoring the membership costs for a girl who needs financial support.

While launching her music career, Carey remains actively involved in Girl Scouts, volunteering her time with a local troop. “Girl Scouts played an important role in my life, providing me with so many opportunities, and I intend to stay involved as much as I can now that I’m no longer a girl [member],” says Carey. “It was an extremely supportive atmosphere and I learned many organizational and business skills that are now coming in handy, as I work to build my career and business.”

“We are incredibly proud of Mackenzie,” remarked Maryann Barry, CEO of Girl Scouts of Citrus. “Even as she works so hard on her music career, she takes the time to give back to her community. She knows the importance of investing in girls and is a great role model for young women everywhere. Every cent raised at the concert will help us prepare the next generation of self-sufficient and capable women.”

The start of 2016 marked the launch of Mid Florida Golf Cars Cares, a 10-year community initiative to provide $500,000 in cash, goods and services to charitable organizations by the end of 2025. With this program, Mid Florida Golf Cars made a commitment to provide contributions annually valued at $50,000 to certified 501(c)3 charitable organizations.

Girl Scouts of Citrus Council is happy to announce that we are the proud new owner of a brand new golf car for use at the Mah-Kah-Wee Program Center. The first golf car donation within the 10 year proposed plan will be used for transportation needs through camp to help with girls in physical need, quick and expeditious transportation for the rangers, and various other tasks needed to make Camp Mah-Kah-Wee run smoothly.

According to CEO Tom Cannon, the Mid Florida Golf Cars Cares initiative reflects the company’s strong ties to the community they have called home for nearly 30 years. “It’s important to all of us that our local community continues to thrive and that the people who live here have the opportunity to enjoy a good quality of life,” stated Tom Cannon. The selection process was completed by the Mid Florida Golf Cars staff who voted from the multiple charitable submissions.
“Mid Florida Golf Cars is proud to support the Girl Scouts of Citrus,” said CEO Tom Cannon. “We believe girls can change the world. So our company is committed to doing whatever we can to help today’s girls develop the courage, confidence, and character to become tomorrow’s leaders.”

Thanks to the generous, continued support of Reed Nissan, the Girl Scouts of Citrus Council staff are now able to transport cases of cookie inventory and other supporting materials to cookie sellers near and far in the Reed Nissan Cookie Express. The colorful van is turning heads and drawing attention to the world’s largest girl-led business, on the road since January 12th.

In its second year, the Cookie Express will be hitting the road at various locations within our 7000 sq. mile geographic region to promote the season, celebrating all of the fun and excitement of 100 years of Girl Scouts selling cookies. During Girl Scout Cookie season, each girl is not only selling delicious cookies; she’s also building essential life skills: goal setting, decision making, money management, people skills, and business ethics—the “5 Skills” of the cookie program. And the more cookies girls sell, the more money they have to invest in community service projects and learning experiences, like travel opportunities.

One hundred percent of the net revenue raised through Girl Scout Cookie sales in the Central Florida area stays with Citrus Council and its troops, so customers who purchase Girl Scout Cookies are not only getting a delicious treat—they’re making an important investment in their communities.

Girl Scouts Are Seeing More Green
two new tools with you in mind

In Girl Scouts, we run at the speed of girls. And that's fast. To keep up, we're bringing you two new tools stocked with helpful information, new opportunities, and everything you need to know about Girl Scouts from all angles.

Introducing: All Things Girl Scouts, or atGS, and GS Help; a two-pronged solution to give Girl Scouts and their champions up-to-date news on exciting Girl Scout developments as well as practical answers to everyday questions.

These tools work hand-in-hand to deliver what you need to know when it's convenient for you. Have a question for us after hours? No problem, visit GS Help. Would you like more tips on perfecting your impressive Cookie Program? Awesome, take a look at atGS. The best part is that both tools will grow with us: give feedback and submit your own stories, tips, and questions to improve the tools for everyone.
Great question! We’re always trying to improve our suite of digital tools to help girls and their champions. Here’s how to use each platform:

**The Volunteer Toolkit**
One of the best resources for Daisy, Brownie, and Junior troop leaders to plan troop meetings and their entire Girl Scout year. All troop leaders will find the scheduling, communication, and tracking tools super-useful. Parents can also follow along with their girl’s year plan!

**MY GS**
This is the nuts-and-bolts of your Girl Scout membership: families manage the membership and activities of their entire family, and troops can manage their roster, volunteer roles, and activities for every member!

**SNAP and COCO**
During each Product Program - the Fall Product Program and the Cookie Program - troops, parents, and girls will dive into the program application developed and managed by our product vendors. They’re pretty snazzy. Each allows girls to set goals, troops to track sales, and the council to manage recognitions.

**The Citrus Website**
This is still an important tool! The Citrus website is a go-to source for basic information about Girl Scouting. New members start here to join troops and current members can catch up on the latest events on our calendar!

**GS Help**
Have you ever found a company’s ‘knowledgebase’ or ‘self-help center’ to be super helpful in getting what you need? These tools can allow you to find the answers you’re looking for without waiting on a team member. That’s precisely what GS Help does! A big Q&A repository.

**All Things Girl Scouts**
Exactly what it sounds like: everything we know about the world of Girl Scouting - nationally and locally.
When girls sell cookies, they’re doing more than earning money for their awesome adventures.

The Girl Scout Cookie Program provides the important ingredients for leadership by helping girls develop five key skills: **Goal Setting**, **Decision Making**, **Money Management**, and **Business Ethics**.

Why do these 5 skills matter? Because when a girl has learned these skills, she will be poised for career success in whatever she chooses to do.

With the Girl Scout Cookie Program behind her, she’ll know how to use her talents and resources to make the world a better place - today and for the rest of her life!

Girl Scout Promise

On my honor, I will try:
    To serve God and my country,
    To help people at all times,
    And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
    honest and fair,
    friendly and helpful,
    considerate and caring,
    courageous and strong, and
    responsible for what I say and do,
and to
    respect myself and others,
    respect authority,
    use resources wisely,
    make the world a better place, and
    be a sister to every Girl Scout.
