

## Become a National Delegate!

### **2020 National Council Session/55<sup>th</sup> Convention** **October 21-25, 2020** **Orlando, Florida**

Every three years, Girl Scouts gather together at the National Council Session and Convention to reinvigorate our Movement, celebrate our accomplishments and chart our future.

National Council Delegates serve as Girl Scouts of Citrus voting members at the National Council Session. They engage and gather feedback from Girl Scout members in our council, learn about proposals, take action to be the voice of Girl Scouts of Citrus during the National Council Session. They then bring back information to share locally.

For additional information on criteria for selection, meeting dates and orientation, go to the [National Council Delegate Information Packet 2020](#).

If you are interested in applying to be a National Council Delegate, please download/complete an [application](#) and return it or fill out the [online version](#) no later than October 31, 2019.
