13. I understand that COVID-19 is an extremely contagious virus that spreads easily in the community. Each troop/family should weigh their participation based on their own, as well as their family members health concerns. As with any social activity, participation in Girl Scouts could present the risk of contracting COVID-19. While Girl Scouts of Citrus takes every safety and preventative precaution, I understand that Girl Scouts of Citrus can in no way warrant or be held responsible that COVID-19 infection will not occur through participation in Girl Scout activities. YES ___ NO ___
Initial _____
