

Re-Use Collection Program Millennium International Textile Inc.

Millennium International Textile Inc. is one of the only solely women owned used clothing graders and exporters in the United States. Millennium International Textile, Inc. processes used clothing, shoes, and accessories to be distributed globally as well as in the United States to those in need.

They are a leading exporter to many countries such as: Costa Rica, Nicaragua, Honduras and Guatemala, India, Pakistan, and parts of Europe. They have been in the used clothing business for over 25 years with a wide expertise in numerous international markets. We are honored to have Millennium International Textile Inc. as a Fundraising Partner.

Re-Use Collection Program

Host a Re-Use Clothing Drive and collect gently used clothing, shoes, accessories, linens and small toys. Our Community Partner Millennium International Textile will pay Girl Scouts of Citrus \$.25 cents for each pound donated.

Help Others: Give your clothes and textiles a second life. Items collected will be distributed globally as well as in the United States.

Help the Earth: Donating textile items to be re-used keeps them out of the landfills! According to the EPA 13.1 MILLION TONS of textiles are trashed in the U.S. each year. The average American throws away 70 lbs. of clothes a year.

Help Girl Scouts: Proceeds from your clothing drive will go directly to the GIFTs for Girls Annual Campaign, a fund for Scouterships for girls at Girl Scouts of Citrus.

Girls Can
Receive
Patches!

How the Program Works and Getting Started

- Talk about the environmental impact of textiles and the benefits of Re-Using.
- Set a collection date for your Re-Use Collection Drive.
- Have a location that will accommodate your drop off day needs and the means to transport your items.
- Give 4 to 6 weeks for girls and their families to collect items.
- Make arrangement's with Millennium International Textile to deliver the items you have collected.
- Pre-weigh your collection items for each girl/ troop before going to the warehouse. The warehouse will weigh your items as a total group not as individuals.
