Proposed Start Date: _____Proposed Completion Date: _____

1. Describe the issue your project will address and how it will affect your community.

2. Describe why this project is important to you (i.e. why did you select this project.)

3. Describe your project.

4. Who is on your Silver Award Project Team?

Please note that this cannot be solely made up of your troop or your family. A Silver Award team involves community members, community organizations, etc.

Team Members	Affiliation	Role

5. Estimate your overall project expenses and how you plan to meet these costs. How will you obtain the supplies?

6. How will this project be sustained beyond your initial project completion?
