Entrepreneurship Progression

Progression allows girls to gain new skills, build their confidence, and develop an entrepreneurial mindset over time. As they engage in the Girl Scout Fall Product Program and beyond, girls learn five valuable skills that will serve them for the rest of their lives. As you work with girls, acknowledge their skill development and encourage them to challenge themselves further. Eventually, they'll be ready to translate their skills into true entrepreneurship or bring an entrepreneurial mindset to whatever path they choose.

The 5 Skills learned from the Girl Scout Fall Product Program:
- Goal setting
- Decision making
- Money management
- People skills
- Business ethics
