

CARE TO SHARE

This year, we're launching a new initiative with our **Cookie Program**. The *Care to Share Program* is GSC's service operation, in which we share our delicious products with the community!

Care To Share Program

Customers have the opportunity to donate money for the Care to Share Program when girls are selling online, in person or at booths. Last year the girls collected enough donations to send over 4000 items to the military.

New This Year - We have added the Second Harvest Food Bank as a partner to receive cookies from the donations. Girl Scouts has seen the need to help families in need due to these unprecedented times and would like to not only help the food banks this year but hopefully grow a great partnership with them in the future.

How the Program Works

- Troops/girls collect \$5.00 for each Care to Share donation.
- Actual product will be shipped to various military branches worldwide and to Second Harvest Food Bank and their partners throughout our six Citrus Council Counties.
- These are virtual sales and do not come from the troops or girls physical inventory.
- The TCC should count the total Care to Share donations from on-line, in person and at booths and enter it on the Care to Share form.
- Customers that want a Tax Donation letter can enter a Y in the last column. If the customer doesn't want a tax donation letter, the donation itself should still be entered on the form. This will let you keep track of your total number of donations the troop sold.
- Turn in the form with your Final Paperwork.

Second Harvest
FOOD BANK
OF CENTRAL FLORIDA

fighting hunger. feeding hope.

Second Harvest Food Bank of Central Florida is a private, nonprofit organization that collects, stores and distributes donated food to more than 550 feeding partners in six Central Florida counties: Brevard, Lake, Orange, Osceola, Seminole and Volusia.

In addition to helping feed the line of our neighbors who need help, Second Harvest also transforms dozens of lives directly every year. Economically-challenged adults who graduate from our 16-week culinary training program are placed in 'better than minimum wage' jobs that set them and their families on a path to self-sustainability.

**SUPPORT OUR
MILITARY TROOPS**

Join Girl Scouts of Citrus and ABC Bakery to send a little piece of home to our brave men and women actively serving in the armed forces.
