

Juliette Girl Guide for the Fall Product Program

Did you know Juliette's can participate in the Fall Product Program? We have options for you! Entrepreneurial Programs, including Fall Product Programs, help girls build self-esteem. Learning that they can set a goal, create a marketing plan, and then go out and make it happen teaches girls life lessons to believe in themselves. With the help of their parents/guardians, girls learn that they can do anything that they set their minds to and establish a "CAN DO" philosophy that will carry them throughout their whole lives. Participation in our Fall Product Program introduces Juliette Girl Scouts to the foundation of the five skills of our Entrepreneurial Program. Money Management, Business Ethics, People Skills, Marketing and Goal Setting are life skills.

Juliette Troop Numbers

- All currently registered Juliette's will use their GSUSA ID #.

Reorders

- If you have reorders you will email them to the Juliette Product Coordinator.
- Communication is **important**. Contact your Juliette Product Coordinator if you have extra FP. They can help you move your product between troops before reorders are placed. **Do not** wait until the end of the program to let your Juliette Product Coordinator know you have Product left. It's harder to move the Products at the end of the program.
- **Product must be kept in a cool dry area.** Please do not pick up the products and leave them in your vehicle. Florida temperature varies and will melt the product very quickly. Please keep product away from pets.

Juliette Program Credits

Our Program gives Juliette Girl Scouts a chance to earn Program Credits needed to participate in Girl Scout programming. Credits earned give individually registered girls the opportunity to purchase supplies needed to support their programming, take GS field trips, attend camps, etc. Our girls learn about work ethics and how to earn their way by participating in this Entrepreneurial Program.

- Juliette's must have a current 2022, active membership to access credits.
- Juliette's can request their credits after their balance is paid in full.
- Juliette's will earn 20% with recognitions or 23% if they OPT OUT (Junior and above). Juliette's do not keep their proceeds, instead they earn credits.
- NOTE: It could be a couple weeks before the balances are updated to reflect their program credits.
- Juliette's may use the Juliette Fall Product Program Credit for Council approved GS events/activities and in the Council shop.
- Credits are nontransferable to any troop and cannot be gifted to other Girl Scouts.
- If a Juliette moves to a traditional Troop, she will forfeit her program credits (or must use the program credits before transferring).
