

Girl Scouts of Citrus
Volunteer Position
Troop/Group Fall Product Chair

Service Community:	
Troop Number:	
Service Community Fall Product Chair: (Volunteer Contact)	

The Big Picture:

The Troop/Group Fall Product Chair works directly with girls and adults in the troop/group to ensure all aspects of the Fall Product Program are implemented within the troop. The Troop/Group Fall Product Chair works collaboratively with the Community Fall Product Chair in achieving the Community and troop's Fall Product goals.

Projects and Tasks:

- Ensure all girls, parents, and families receive appropriate information and training prior to the program and adhere to all guidelines and procedures.
- Ensure all troop girls and families have access to the necessary materials to implement the Fall Product Program.
- Coordinate scheduling, logistics, and communication related to product and recognition delivery, booths, product inventory, and money management.
- Support troop focus on Financial Literacy and Entrepreneurial skills for girls through Fall Product Program.
- Remain informed and compliant regarding the current policies, procedures, and guidelines of Girl Scouts of Citrus and GSUSA, including, but not limited to Volunteer Essentials and Safety Activity Checkpoints.
- Abide by the Girl Scout Promise & Law as guiding principles.

It's the Perfect Fit if:

- You're tech-savvy and comfortable with computer/internet research and managing data.
- You're proud of your organizational skills and attention to detail.
- You work well under pressure. The fall product season comes with tight deadlines and troop leaders with questions needing your support and attention, but you've got this.
- You're a team player and love working collaboratively to reach collective goals.
- You're a strong communicator in written, verbal, and virtual delivery.
