COVID-19 is an extremely contagious virus that spreads easily in the community. Each troop/family should weigh their participation based on their own as well as their family members health concerns. As with any social activity, participation in Girl Scouts could present the risk of contracting COVID-19. While Girl Scouts of Citrus takes every safety and preventative precaution, Girl Scouts of Citrus can in no way warrant or be held responsible that COVID-19 infection will not occur through participation in Girl Scout activities. ___ Initial

I have read the current guidelines for resuming in-person activities from Girl Scouts of Citrus Council and I will take all reasonable precautions to limit exposure for girls, volunteers, and families, which will include following CDC, GSUSA, GSC and state health department guidelines. ___ Initial

I will be sure to inform girls, volunteers, and families what measures have been put in place during our time together such as wiping down and disinfecting all high touch areas before, during and after activity. For any allowed in-person troop activities, including meetings the adult volunteers are responsible for assisting with and monitoring all social distancing guidelines and cleaning protocols. ___ Initial

In the event of a positive COVID-19 test result within my troop, I will notify the parents/caregivers and others who may have been exposed. I understand girl and volunteer health information is confidential and I am not to share that with anyone outside of those exposed. ___ Initial
